“This round of income distribution for our 2 funds underscores the strength of our investment expertise in delivering performance. By following a value driven research methodology at acceptable risk-return margins, we are able to reward our investors amid the backdrop of market volatility,” said Lynn Cheah, CEO of Eastspring Investments Berhad.

“The Eastspring Investments Dynamic Fund chartered a return of 18.12% over the past year ended 30 June 2013 whilst the Eastspring Investments Equity Income Fund chartered a return of 21.93% over the same period. This distribution also marks the 6th consecutive annual income distribution for Eastspring Investments Equity Income Fund since 2009.

All unit holders who have maintained their unit holdings as at 22 July 2013 will be entitled to these income distributions.
