Fund	Gross Distribution (sen)	Income return (as at 30 September 2013)
Eastspring Investments Dana Dinamik	4.48	5.00%

“This income distribution underscores the strength of our investment expertise in delivering performance. By following a value driven research methodology at acceptable risk-return margins, we aim to reward our investors amid the backdrop of market volatility,” said Lynn Cheah, CEO of Eastspring Investments Berhad.

“The Eastspring Investments Dana Dinamik chartered a return of 11.61% over the past year ended 30 September 2013 and 132.71% since the Fund’s inception. This distribution also marks the 3rd consecutive annual income distribution for the Fund since 2011.

All unit holders who have maintained their unit holdings as at 28 October 2013 will be entitled to the income distribution.

MEDIA RELEASE

Disclaimer: This press release is issued in **Malaysia** by Eastspring Investments Berhad is solely for information purposes and does not constitute an offer or solicitation to anyone to invest in investment products.

Investors are advised to read and understand the contents of the Eastspring Investments Master Prospectus dated 15 July 2013 ("MP") and the Fund's Product Highlights Sheet ("PHS") before investing. The MP and PHS are available at offices of Eastspring Investments Berhad or its authorised distributors and investors have the right to request for a copy of the MP and PHS.

The MP has been registered with the Securities Commission Malaysia who takes no responsibility for its contents. Units will only be issued upon receipt of the application form accompanying the MP. Past performance of the Fund is not an indication of the Fund's future performance. Unit prices and distributions payable, if any, may go down as well as up. Where a unit split/distribution is declared, investors are advised that following the issue of additional units/distribution, the Net Asset Value ("NAV") per unit will be reduced from pre-unit split NAV/cum-distribution NAV to post-unit split NAV/ex-distribution NAV. Where a unit split is declared, investors are advised that the value of their investment in Malaysian Ringgit will remain unchanged after the issue of the additional units.

Investments in the Fund are exposed to security risk, credit/default risk, interest rate risk and reclassification of Shariah status risk. Investors are advised to consider these risks and other general risks as elaborated in the MP as well as fees and charges involved before investing.
