

SUITABILITY ASSESSMENT FORM

NON-INDIVIDUAL

This Suitability Assessment Form will guide you in choosing the unit trust or wholesale fund(s) that suit your organisation's investment objectives, risk tolerance, financial profile and investment experience. The information you provide will form the basis of our recommendation. It is important to provide true, accurate and complete information to ensure that suitable products are recommended according to your organisation's investment needs and objectives. Please understand that any misleading, inaccurate or incomplete information provided by the authorised signatory(ies) of your organisation will affect the outcome of the recommendation made. In such a case, the Client Portfolio Manager (CPM)/Unit Trust Consultant (UTC) may not be held liable for such recommendation.

Risk Profile

SCORE	CATEGORY	DESCRIPTION
6 - 13	Conservative	This portfolio seeks to preserve capital and generate a regular income stream over time, with capital growth being of secondary importance. It is expected to be more stable in portfolio value compared to other more aggressive portfolios.
14 - 22	Moderate	This portfolio seeks to provide stable income with some potential for capital growth. Short-term fluctuation is expected in anticipation of a higher return.
23 - 30	Moderately aggressive	This portfolio aims to generate capital growth. A fair level of fluctuations is expected in return of possible higher returns with some level of income (if any).
31 - 38	Aggressive	This portfolio aims to generate long-term capital growth. Significant fluctuations may be expected in the short-term in anticipation of the highest possible return over the long-term.

Thank you for taking time to complete this Suitability Assessment Form. The recommendation is made based on the information obtained from this assessment. You are advised to exercise judgement in making an informed decision in relation to the unit trust/wholesale fund(s).
